Welcome to the 1994 Miss Shelton State Pageant

It has been four years since the last Miss Shelton State Pageant, so we feel tonight's pageant is extra special. All of the contestants have worked hard to prepare, and we are extremely proud of them.

The Miss Shelton State Pageant is a preliminary Miss America Pageant, which means tonight's winner will represent Shelton State in the Miss Alabama Pageant in June. By entering this pageant, young women have the opportunity to receive part of the \$10,000,000 that is available annually at the local, state and national Miss America Pageants.

Directing this pageant has been very rewarding to me, and I would like to thank the many people who have helped to make the pageant possible. I send a heartfelt thanks to the many merchants, businesses and patrons who made such generous donations to this year's pageant and a special thanks to the administration, faculty and staff for their support and contributions. And, of course, my deep appreciation goes to the members of this year's executive committee for all their time and hard work.

Finally, I would like to thank each of you for attending tonight's pageant. Please sit back, relax and enjoy the evening.

Sincerely,
